## Some Letters From Our Advertisers...

This is to let you know that Black Men has been producing good results from our advertisers for the last 2-3 years. We hope to continue on a regular basis as we have in the past.

*Sam Kram*

I have been advertising in Black Men for more than 5 years. Your classified section gives me a choice of a cheaper rate when comparing to a display ad. My ads get a lot of response. Your agency not only represents mainstream magazines, but also other hard-to-find titles targeting particular readers.
